Mejec scavenger

CE ISO ISO9001 GCC

Mejec Commercial Water Co.,Ltd.

Mejec scavenger Household Sewage Treatment Plant (STP)

Processing capacity : 5-10people

Color customizable

container loading quantities

ABC mode is automatically switched

Low energy consumption and low noise

Smart operation safe and reliable

Solar energy integration technology

Remote Services Automatic language switching

Product parameters

Processing capacity (m^3/d)	5-10people
Size (m)	0.7*0.7*1.26
Weight (kg)	70
Installed power (kW)	＜40W
Solar power (kW)	50W
Sewage Treatment Technique	CASS
Effluent quality	COD<60mg/l,BOD5<20mg/l,SS<20mg/l,NH3-N<15mg/l,TP<1mg/l
Resourcefulness criteria	Irrigation/direct emissions

Equipment spare parts

Spare parts	
Product Name	Parts Replacement Frequency
Microcontroller	/
Complete machine	25 years

Warranty Scope

Warranty Period: From the date of delivery of the equipment, the warranty period for the main equipment is 25 years, and the warranty period for mechanical and electrical equipment and electrical components is 3 years (based on the purchase date).

Warranty content: Under normal use conditions, if the equipment malfunctions due to manufacturing process or material defects, the manufacturer is responsible for free repair or replacement of parts.

Evidence: A valid purchase invoice and complete product serial number are required. Warranty services are based on the purchase date indicated on the invoice.
